RO Instrucțiuni de utilizare

IMPORTANT! PĂSTREAZĂ PENTRU A CONSULTA ULTERIOR

Citește cu atenție aceste instrucțiuni înainte de prima utilizare!

AVERTISMENT

AVERTISMENT Supraveghează copilul în permanență și asigură-te că gura și nasul nu îi sunt acoperite.

AVERTISMENT Pentru bebeluși cu greutate mică la naștere sau cu probleme medicale, consultă un cadru medical înainte să folosești acest produs.

AVERTISMENT Asigură-te că bărbia copilului nu se sprijină pe pieptul său, deoarece acest lucru poate împiedica respirația și poate duce la asfixiere.

AVERTISMENT Pentru a evita pericolul de cădere, poziționează copilul corect în sistemul de purtare.

Fii atent(ă) la pericolele din timpul activităților casnice precum gătitul sau curățenia, mai ales în apropierea unei surse de căldură și a băuturilor fierbinți.

Folosește sistemul de purtare cu un singur copil.

Sistemul de purtare este conceput exclusiv pentru purtarea copilului poziționat cu fața spre tine.

Echilibrul persoanei poate fi afectat de orice mișcare pe care aceasta sau copilul o poate face.

A nu se apleca înainte decât cu atenție.

Articolul port-bebe nu este adaptat activităților sportive, ca de ex. alergare, ciclism, înot sau schi.

Te rog să ai în vedere că pericolul de cădere crește atunci când copilul devine mai activ.

DEPOZITARE ȘI ÎNTREȚINERE

Nu ține sistemul de purtare la îndemâna copiilor atunci când nu îl folosești.

Verifică cu regularitate sistemul de purtare pentru orice semn de uzură sau deteriorare, inclusiv cusăturile și țesatura.

Asigurați-vă că toate cataramele sunt închise înainte de spălare.

Folosiți un detergent blând.
